A REVOLUTION IN PERFORMANCE

Ranger's new powertrain with cutting-edge technology delivers the power and torque you need, with an improved fuel efficiency.

10-Speed Auto Transmission. Ford's latest transmission technology works seamlessly with its turbocharged engine, proving impressive performance and quicker gear changes.

2.0L Bi-Turbo Diesel Engine

Ranger's new 2.0L Bi-Turbo diesel engine is a stroke of genius. Two turbo-chargers work independently to deliver extra power on demand with improved fuel efficiency. Exclusively available on the first-ever Ranger Raptor and Ranger Wildtrak 4x4.

Power	Torque
213 PS	500 Nm

2.0L Turbo Diesel Engine

Like its bi-turbo sibling, the 2.0L Turbo diesel engine offers impressive power, torque, and fuel savings. Available on Wildtrak 4x2 10-speed automatic or 6-speed manual transmission.

Power	Torque
180 PS	420 Nm

2.2L TDCi Diesel Engine

Ranger's upgraded 4-cylinder 2.2L TDCi diesel engine, mated with a 6-speed manual or automatic transmission, pumps out the power you need to conquer any task.

Power	Torque
160 PS	385 Nm

NEW RANGER BORN READY

To tackle the biggest jobs, you need more than a one-dimensional truck. You need powerful and responsive powertrain, cutting-edge technology, advanced safety, tough capability. You need a truck that does tough smarter. Tougher. Smarter. More Capable. New Ranger is Born Ready.

See clearly

HID Headlights and Daytime Running Lamps¹ help you see the road ahead clearly, and make you more visible to other drivers.

Smarter starts¹

Ranger knows when your key fob is nearby, without having to take your key out of your pocket. Just open the door to unlock the vehicle, then press the START button and you are ready to go.

Tailgate Lift Assist¹

Incorporates a torsion bar to make lifting and lowering the tailgate effortless.

Voice-controlled SYNC[®]3³

Work smarter. Play harder. Stay connected. Pair your smartphone to SYNC[®]3³ to make calls, select music, and use your apps while you're on the move. Totally hands-free.

Navigation System¹

Helps you find your way home with simple voice commands, no matter how far off-road you go.

Six Airbags¹

Including side and curtain airbags, along with a reinforced safety cell help ensure safety inside the Ranger.

Active Park Assist²

Finds parallel parking spaces and practically steering itself to a parking spot. All you have to do is control the throttle and brake.

Adaptive Cruise Control²

Senses traffic and adjusts speed automatically. When traffic slows down, Ranger slows down too. When traffic clears, Ranger returns to your pre-set speed.

Lane Departure Warning²

Vibrates the steering wheel if you unintentionally move out of your lane at certain speed. If you still don't react, Lane Keeping Aid² helps steer you back on track.

Autonomous Emergency Braking (AEB)²

Helps mitigate risks. It detects pedestrians and vehicles, and alerts you with an audible and visual warning. With AEB, Ranger pre-charges brakes to increase brake-assist sensitivity providing full responsiveness when you brake. If you fail to react, it can automatically apply the brakes.

[1] Available in Wildtrak variants, Ranger Raptor [2] Available in Wildtrak 4x4 variant [3] Not all SYNC[®] features are compatible with all phones. For further details visit <https://www.ford.com.ph/engineering/sync/>.

BUILT FOR BIG THINGS

Back-breaking loads. Punishing terrain. Wading water. Ranger was built tough and smart to conquer whatever gets in its way. On-road or off.

New Interior Design.

Ranger's spacious and thoughtfully designed cabin keeps you in the comfort zone, no matter where you are, for work or for play.

Overcome Obstacles.

Impressive 800 mm water wading ² capability with 230 mm high ground clearance lets you get more done with greater ease.

Get loaded.

Ranger's 3.5 tons maximum towing capacity¹ and 1.3 tons maximum payload¹ let you handle big loads with complete confidence.

4x4 Shift-On-The-Fly³

Lets you shift between 2WD and 4WD High mode and Low mode on-the-go.

[1] Max towing and payload subject to local regulations. [2] Maintaining a steady speed of 7 km/h or lower [3] Available in XLS, Wildtrak 4x4 variant, Ranger Raptor

| FORD **PROTECT**

Roadside Assistance

All Ford vehicles come with standard 3-year Roadside Assistance.

Scheduled Service Plan (SSP)

The Ford Scheduled Service Plan (SSP) is a pre-paid maintenance plan that covers the Ford vehicle for up to a 5-year period from the date of purchase. It shields the owner from future price increases on maintenance parts and labor.

SSP is available in the following plans:

24 months / 20,000 km or 2 maintenance visits

36 months / 30,000 km or 3 maintenance visits

60 months / 50,000 km or 5 maintenance visits

Premium Extended Warranty

The Ford Premium Extended Warranty is the most comprehensive Service Plan Protection fully backed by Ford Group Philippines. It covers the parts and labor to repair thousands of key components - engine, transmission, steering, electrical and more - for up to 5 years or 150,000 kilometers. In total that is 5 long years of vehicle warranty and worry-free ownership.

Please contact your local Ford Dealer for more information
