Mr. Rueben M. Cho  
After Sales Manager/Hr  
GEM-MITSUBISHI GLOBAL

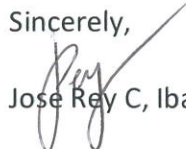

Dear Sir,  
Good day!

As we had previously discussed, I would like to transfer to another branch and tender my resignation as a Junior Service Technician at GEM-INC, BGC, effective November 20, 2021.

My current workplace is not accessible for me, So I am currently renting my own space, and I contribute for the hospital bill of my siblings who were admitted due to COVID-19 infection, and at the same time sends financial aid for my parents who are both senior citizens, so as much as I would like to stay under your mentorship, I needed a job that will help me more with my expenses.

I am grateful for having a kind and patient manager like you, and I wish the company best of luck!

Thank you for the understanding.

Sincerely,  
  
Jose Rey C. Ibanez
