Dear Sir Pershy,

It's been a pleasure serving our beloved Company Global Excellence Motors Inc as Sales Supervisor.

I am honored and humbled to be part of this esteemed AutoHub Company and for the short period of three months I immediately work on the fleet accounts of MIESCOR and DETOXICARE and with the City Government of Valenzuela which to this day is smoothly in the process of completion. As well for the individual accounts of Honeyblest Trading (Municipality of Camarines) and Gifts SolisPortrias.

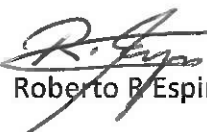

However, I regret to inform you that I am tendering my resignation letter effective immediately.

 Sept 30, 2021

Be that as it may, you know where to reach me, if only to assist you in the aforementioned fleet accounts.

Thank you very much.

Sincerely yours,
