Dear Sir Allan Domingo and Ms. Ginny Ampil,

I am writing this letter to notify of my resignation from my position as BP Marketing Specialist effective October 22, 2021.

I am most grateful to have worked with such a great company. I have genuinely enjoyed my time with the company even in just 2 months and appreciate all the opportunities you have given me. However, I have decided it is time for me to focus on my health to fully recover.

I am not leaving with a heavy heart as I am positive that the company and all my peers and colleagues will wish me well in my next endeavor.

All the best to everyone at Autohub Group especially to Painthub and Nexthub.

Sincerely,

Jennelyn B. Abacan
